POST-WEDDING GRATITUDE NOTES ON THE EXCELLENT SERVICE FROM RHONDA ALLEN.

TESTIMONIALS

I know it has been some time since you planned my wedding, but I wanted to let you know how grateful I am for your guidance throughout the entire process. My wedding turned out to be everything I wanted it to be! I had just moved to the state when my boyfriend proposed. So I had to plan a wedding in a new city without any of my friends or family around to help me.

I interviewed three wedding consultants before I chose your services. It was the best decision I made. You seem to know when to take a task over, when to gently push me in the right direction and never made me feel like my ideas were ridiculous. You always made me feel confident about your abilities.

We had problems with the florist and the bridal gown vendors. This would have made any bride crazy but you handled everything for me and found better ones when things were just not working out. I don't know how you were able to keep me calm but you did. I know you did all of the work but you still made me feel like I really had an input in the planning of my wedding. The entire process just unfolded smoothly. On the actual wedding day I was so calm because I knew you were handling everything. People are still talking about my wedding, thanks to you.

Once Again,

THANK YOU, Charmanine"

"I thought the overall service was great and a great value. I did not worry about anything on the rehearsal day or my wedding day. Vendors were provided to me that I used for other things such as music, photography, makeup, etc. It was truly a one-stop-shop. I will definitely recommend Rhonda Allen and her team to other brides."

We will recommend you to anyone who needs a wedding reception coordinated. All I can say is you are the bomb! And, we wish we would have hired you sooner:-) Thank you for everything."

"I appreciate everything you have done for us over the past year. You took care of the issue with the DJ when they showed up less than 10 minutes before the wedding and when they neglected to bring the music I had hoped for. If you didn't have a back up copy of it, it could have been much worse. Since I booked the DJ on my own, I really appreciate you taking charge and fixing that problem. Thank you so much."

Brenda and Mario

"Thank you for keeping us sane and helping us with one of the most important days of our, and our daughter's lives. We don't know what we would have done without you."

There are not enough words in the dictionary to accurately convey how pleased we are with services of Rhonda Allen in particular. Rhonda was invaluable to us during our vendor selections. She laid the groundwork for us with what to look for and to look out for and all without steering us to any particular vendor. I was especially pleased with the way she kept and my wife from losing our minds not only during the planning process but the wedding day itself. You could not do any better than Rhonda Allen and her team. Selena and I didn't just get a wedding coordinator we have a new friend.
